# ABOUT JINDAL LIFESTYLE

Founded with a visionary outlook 15 years ago, Jindal Lifestyle has become a leading force in integrated Stainless Steel solutions, leaving its mark on both domestic and international markets.

Their unwavering commitment to excellence is evident in their core philosophy: design, build, and perfection. This translates to meticulous craftsmanship and exquisite finishes for every project, residential or commercial.

## LUXURY DRIVEN BY VISIONARY LEADERSHIP

Founded by Mrs. Deepika Jindal, Creative and Managing Director of Jindal Lifestyle Limited, Arttd'inox redefines art in stainless steel. Every Arttd'inox Kitchen & Wardrobe embodies fine craftsmanship, cutting-edge technology, and exquisite artistry. Our bespoke designs are not just functional, but also reflect your lifestyle and personal taste, offering a blend of modernity and luxury. We welcome you to a space where art, innovation, and modern luxury come together to create an exceptional masterpiece.

"AN EMBODIMENT OF VISIONARY DESIGN,  
MODERN LUXURY, AND INNOVATIVE ARTISTRY"

## Deepika Jindal

## ABOUT ARTTD'INOX HOMESPACE

---

Born from Jindal Lifestyle's heritage, Arttd'inox Homespaces usher in a new era of stainless steel living. Their timeless designs in kitchens, wardrobes, and vanities seamlessly blend enduring quality with distinctive flair, all backed by a Lifetime warranty\*. Arttd'inox doesn't compromise on functionality - cutting-edge materials like ceramic, stone, and glass ensure stunning aesthetics alongside robust protection against everyday threats. Yet, the core remains constant - the unwavering strength and timeless elegance of stainless steel.

THE ARTTD'INOX KITCHEN MANUFACTURING PROCESS

## OUR MANUFACTURING PROCESS

---

Arttd'inox excels with advanced facilities and skilled workers. Our Pathredi plant in Haryana uses cutting-edge technology and 304 carcass to ensure top-quality kitchen manufacturing. Pathredi plant is spread over 30351 sqm.

Our inner carcass is expertly crafted with durable stainless steel, ensuring lasting strength and quality. The modular design is reinforced with stainless steel legs that can support weights of up to 200 kg. This versatile design is compatible with any hardware, making it the perfect choice for all your needs. Upgrade to our Stainless Steel carcass for long-lasting durability and reliability.

---

## WARDROBE

STYLE & STORE THEM IN PERFECT HARMONY

## VANITY

TRANSFORM YOUR DAILY ROUTINE INTO  
A PAMPERING ESCAPE

# INVEST IN A LIFETIME OF QUALITY WITH ARTTD'INOX KITCHENS

Our company offers comprehensive after-sales support for our kitchens, backed by a Lifetime warranty\* against manufacturing defects. This means we take full responsibility for repair or replacement if any issues arise due to materials or workmanship faults.

During the first two years of the warranty, we provide four preventive services to ensure optimal kitchen performance and address potential issues. Our technicians conduct inspections, perform maintenance, and address concerns. The warranty covers manufacturing, installation, and transportation defects. If any issues arise from these factors, we rectify them at no extra cost. However, external damage from accidents, acts of God, or user-caused equipment damage isn't covered. Repair or replacement in such cases is the user's responsibility. We're committed to product quality and exceptional customer service. If you encounter covered issues within the warranty period, contact our customer support for prompt assistance.
